

Why should I join?

There are so many reasons! Your **membership and support** throughout the academic year **enriches the learning experience for our students, teachers, and staff!** Without the PTA, many of our school's favorite activities and much-needed items wouldn't be possible. Your membership makes it possible!

How can I join? (*preferred)

It's easy! We have a few options:

Mobile*: Scan the QR code, select your membership & pay online!

Visit the PTA website*:

www.pennforestowls.memberhub.com and select "View Store" to select membership & check out.

Cash/Check: Make checks payable to "PFES PTA" and turn in to the office with this completed paper.

Am I required to volunteer or attend meetings?

Nope! We *hope* you will volunteer and attend meetings/events, but there is no obligation as a PTA member to do so. You'll also have access to our member directory, so you can connect with other families at PFES.

Count me in! I'd like to pay with cash/check...
