

*"At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents."*

### **Penn Forest Elementary PTA**

**On behalf of the PTA, I would like to welcome you to a new school year. Last year was weird, but we are focusing on this year and the excitement it holds for all of us. Things may still be changing, but the commitment to our students remain the same. We are all in this together even if it's still a few feet apart.**

The aim of the PTA is to support the highest standards of education and student well-being at our school and we are very fortunate to be a part of a community that is dedicated to the success of our students, teachers and staff. Some of the programs that we have fund and support with our volunteer services are:

1. Funds for each grade level for classroom resources
2. Free Pumpkins on the Playground event
3. Ornament Paint Night
4. Helping Hands
5. Student Programs

In order to make these things (and more) happen we need your support! We believe that the strength and involvement of our PTA is an integral part of PFES's success. We hope to have more parent events this year outside the school and joining the PTA will keep you up to date with everything we are doing. In addition to your membership dues and generous financial donations which provide much of our funding for the year, it is your involvement in our PTA that makes a real difference. Your continued support is what keeps us going! Check out the link below to find out how to join!! There will be classroom rewards for joining.
