ARRIVALS AND DISMISSALS

There is no parking in the fire lanes at any time. Please park in the designated parking areas only. Obey all posted traffic signs at all times. Please do not park in reserved parking spots.

Your attention and cooperation is imperative to ensure the safety of all children.

Bus Rider Information: Students are encouraged to ride the school bus to and from school. Please refer to your Student Conduct Code (Student Transportation) and review bus safety rules/procedures with your child.

Bus Route information is available on Roanoke County Public Schools website under Departments > Transportation > Bus Routes > Bus Routes – South County > Cave Spring Elementary. If you need assistance finding information about your child's bus route, or your pk-2nd grade student's bus stop is not listed please contact the CSES front office at (540) 772-7558 or you may email Jodi Poff, Principal, at jspoff@rcps.us.

In the morning, students riding the bus should be at the designated bus stop five minutes before the bus is scheduled to arrive. Buses are not required to wait for students who are not already at the stop when the bus arrives. Students in PK-2 must have an adult visible to the bus driver in order to be let off the bus in the afternoon. If a PK-2nd grade student does not have an adult visible, he/she will be returned to CSES and parent(s) will be called.

Car Rider Information: If your child must be a car rider, please drive slowly and carefully on school property. Please enter school property from the Ranchcrest Drive entrance (by the school electronic sign) and turn into the first driveway on the right. Follow the traffic cones around the sidewalk to the drop-off area. Stay in line with the other cars and do not attempt to pass. Students should be ready to exit the car on the passenger side of the car with all belongings quickly so the car line can keep moving. Parents

should remain in the car during drop off. Students may arrive to school as early as 7:20 am and wait in the cafeteria for those parents who need to go to work earlier than the 7:30 regular drop-off. When the bell rings at 7:30 am, early car riders may proceed to class.

Students not in class by **7:45 are late and MUST be escorted into the office and signed in by a parent/guardian**. Dismissal begins at 2:20 pm. Parents should wait in the line of cars and give your student's name to the adult on duty. Students will be called for dismissal. This procedure goes smoothly but does take time, and we appreciate your patience. Students should enter the car from the passenger side and adults should remain in the car.

Other Dismissal Information:

- Students may not walk home without a note from parents and approval of the principal.
- At the close of school, every child is expected to report directly to his/her home.
- A child may be excused from the classroom only when the parent comes to the office and signs the child out. When someone other than the parent/guardian picks a student up, a note or a phone call from the parent is **required**.
- A picture ID may be required before a child is released.

ATTENDANCE

Parents are to notify the school office when a student is absent. Daily student attendance is a key factor in student success in school. Being present each day contributes to a student's feeling connected to the school and to the student's learning. Cave Spring Elementary takes seriously our obligation to provide high quality, engaging, and purposeful learning experiences designed to meet students' needs and to prepare them for future opportunities. Our goal is to create and sustain classrooms to which students are eager to go and learn. Parents are valued as a partner in supporting acceptable levels of school attendance for students. We want to keep you informed of student attendance procedures in order to support this cooperative effort. There is detailed information about student attendance located in **Policy 7.07** and **Administrative Regulation 7.07AR** on the RCPS website at www.rcps.us/schoolboard. Thank you for your support of our joint efforts to promote student learning through good student attendance. If you have any questions, please contact CSES Principal, Jodi Poff.

We ask parents to help us with the following:

- Please notify the school as early as possible when your student will be late or absent. You may call the front office anytime and leave a voicemail. The school phone number is (540) 772-7558.
- If the school has not received information about an absent student, a parent will be contacted using numbers you have provided.
- Your child will need a written excuse when he/she returns to school. Please provide a doctor's note if your child visits the doctor. These excuses are kept on file at school.

Requests for make-up work are taken on the **second** consecutive day of absence. **Please call by 10:30AM to request make-up work.** The work will be ready for pickup after 2:45 p.m. For extended absences, make-up work will be given to the child immediately upon his/her return. It is your child's responsibility to complete this work and return it to his/her teacher in a timely manner.

Outstanding Attendance recognition is given at the end of the school year to any student with five or fewer days absent or tardy.

The principal meets monthly with the school social worker to monitor student attendance. The principal may request a conference with the parents to discuss excessive absences and offer assistance. The school social worker may also contact parents to offer assistance.

Tardies: Students are late if they are not in the classroom by 7:45 am. When morning drop-off has ended, a parent/guardian **MUST** accompany students to the office to sign in. Please do not send your child into school unattended. When a child is tardy, he/she misses valuable instructional time.

Attendance Policy information is available on the [Roanoke County Public Schools](#) website under Parents & Students > Student Attendance Procedures.

BIRTHDAY TREATS and INVITATIONS

Birthday treats are **not allowed** to be served during lunch or in the classroom in accordance with the RCPS Nutritional Integrity Plan. All food and beverages made available during the school day (including school meals, vending, a la carte, parties, and fundraising) are consistent with the guidelines set forth in RCPS Nutritional Integrity Plan. Balloons/flowers sent to school are not allowed and will be kept in the front office until a parent is able to pick them up.

Invitations to birthday parties or other events are to be mailed to individual students. Students **are not** allowed to give out invitations at school. **CSES PTA** provides a student directory in the fall of each year to current members, this can be used to access student mailing addresses. School staff cannot give out student addresses.

CONDUCT

CSES will continually strive to guide the physical, mental, social, and emotional development of its students. The cooperation of the home is an absolute necessity if we are to accomplish our goal. A child must have consistent patterns of desirable behavior and opportunities to practice them if he/she is to be prepared for a good life. A division-wide PBIS – Positive Behavior Intervention System – approach to student behavior is in place at CSES. Students are provided with school-wide, clearly defined behavior expectations, routines, and problem-solving strategies.

Guidelines for discipline are determined by the policies adopted by the Roanoke County School Board in the Student Conduct Code and in conjunction with the principles of PBIS. Every parent/child receives a copy of the Conduct Code to read and sign at the beginning of each school year. Please read and be aware of the rules contained in this book. We appreciate your partnership in helping your child make good choices.

EMERGENCY CLOSINGS AND SNOW DAYS

Information about emergency closings or snow days will be posted immediately on - Roanoke County Public Schools website (www.rcps.us). Other sources are radio, television, Roanoke County Public School Hot Line 562-6000, and ParentLink.

ParentLink is an automated messaging system to notify parents of emergency closings and other important events. If you need assistance accessing ParentLink, please contact Jodi Poff, Principal, at (540) 772-7558 or jspoff@rcps.us.

The decision to operate or not operate schools during inclement weather is determined by the Superintendent of Roanoke County Schools. This decision will be made and posted as early as possible.

PLEASE do not call Cave Spring Elementary School to inquire about school closings. Stay tuned to radio, TV or email for emergency and inclement weather closings and delays. Please complete the **Emergency Plan** form included in the Back to School paperwork. Teachers keep these on file should school be released early. Please notify your child's teacher throughout the school year with updates in the event of an emergency closing or snow day.

Delayed opening schedules may be announced by 7:00 am if conditions look favorable for clearing. When this schedule is announced, it means that buses will run exactly two hours later than normal according to the delay. Our school will close at the regular time on these days.

EMERGENCY DRILLS

In accordance with Virginia School law, fire drills are held at least twice during the first twenty days of school and once a month thereafter. Students are instructed to evacuate the building in an orderly manner. Inspections are conducted annually by the Roanoke County Fire Marshall. Also, each school will hold simulated lock down, crisis emergency evacuation, and tornado drills twice a year.

These in-house drills provide instruction and practice for the students and staff in moving to the safest areas in the event of an emergency.

In accordance with the state law, bus emergency evacuation drills are held twice a year also. Students are given instructions on what to do if an emergency situation occurs on the bus. Every student will practice exiting from the emergency door.

ENTRANCE REQUIREMENTS

State law requires that parents be in compliance with all immunization schedules for DTap, Hepatitis B, Hib, MMR, Polio, Tdap, Varicella and pneumococcal conjugate vaccines. These immunizations must be done before the child enters school. Children will not be permitted to remain in school if deficiencies exist. A birth certificate and a physical examination are required of all students enrolling to Roanoke County Public Schools.

Children enrolling in Kindergarten must provide documentary proof of having received two doses of MMR and 2 Varicella vaccines. Students enrolling in sixth grade are required to have an additional Tdap vaccine. Parents of fifth grade students need to contact your child's physician or the Health Department to schedule an appointment for your child to receive the required vaccine. Students less than 5 years of age are required to have the Hib and Pneumococcal vaccines.

If you have any concerns, please contact our school nurse at 562-3900, ext. 44039

FIELD TRIPS

Field trips, concerts, etc. related to the instructional program of each grade level may be taken during the school year. The parents' written permission is required before the child may go on a field trip. Financial assistance for field trips may be available, please contact the principal to request assistance.

FINANCIAL DRIVES AND CAMPAIGNS

The Roanoke County School Board authorizes financial campaigns which support the programs of United Way of Roanoke Valley and which run concurrently with the United Way Campaign. United Way distributes money to thirty-six local health and human service organizations to fund their programs and services. These are detailed in their brochures.

Each school has the privilege of deciding to which groups it wishes to give its funds. All school funds collected by teachers and students will be deposited daily in the bank by the school bookkeeper as prescribed by school bookkeeping regulations.

The Roanoke County School Board reserves the right to deny its advocacy of specific groups. The CSES SCA and PTA both conduct donation drives during the school year. Participation is voluntary, yet is appreciated.

GIFTED POLICY

When seeking to identify gifted students, a school system is searching for those children who by virtue of outstanding abilities are capable of high performance. Consequently, those students who are identified require curriculum adaptations and/or additional services beyond those usually provided by the regular school program.

Typically, two approaches may be used to identify gifted students. The first is the use of standardized data, and the second is observation. Some abilities are best measured by objective tests; others by observation; and still others by a combined approach. Some educators prefer one approach to another; but the consensus of research supports the premise that effective identification procedures secure data from a combination of both approaches. Hence, Roanoke County's identification process includes standardized and non-standardized data which relate achievement, intelligence, performance, and teacher ratings.

If you have specific questions about the screening process and/or a candidate for screening, consult the principal or guidance counselor. He/she will share with you the time line associated with screening and/or direct you to a member of the staff for the gifted program. If your child is new to Roanoke County Schools and participated in a gifted program in his/her former school, your child automatically qualifies for screening. Remember to consult with the principal or guidance counselor to engage your child in the screening process. Roanoke County also provides a program for artistically talented children in grades 3-6. Screening for this program begins in January of each school year and involves students in grades 2-5 who are referred by parents, classroom teachers, and/or art teachers.

If your child is a second grader, you will receive a letter announcing and explaining the approaching screening period. If your child is enrolled in grades 3, 4, or 5, the school's newsletter will carry an announcement of the approaching screening period and the procedures you should follow to refer your child for screening.

A student may be retained if: 1) the final grade of "F" is received in reading or mathematics. 2) he/she consistently works below grade level in reading, mathematics, social studies, or science. 3) he/she needs the gift of more time in order to be successful.

RETURN CHECK FEES

A \$35 fee will be collected for any returned check. Returned checks may result in termination of check-writing privileges at CSES.

RESPONSIBILITY

Students should be responsible for remembering their homework, gym shoes, lunch money, etc., and should not make a habit of calling parents to bring these items to school. Therefore, we discourage the use of the telephone for all calls except those approved by the teacher or the principal.

We know that students will forget items on occasion. Students may be granted permission to call home for forgotten items at the discretion of the teacher. If forgotten items are brought to the school by a parent, it is the students' responsibility to retrieve items from the office. Items will be placed in the teacher's mailbox. This helps keep classroom interruption to a minimum.

STUDENT SAFETY

The safety and security of our students and staff is the top priority at Cave Spring Elementary. While not all of our safety procedures can be shared with the public, there are several procedures and practices of which parents should be aware.

Access to our school can only be gained via the front entrance. All other exterior doors to our school are locked at all times. **There is a kiosk located in the vestibule where visitors are required to present a valid driver's license or ID.** This kiosk will scan the driver's license or ID and may ask the visitor to enter information. A visitor badge will be printed. At this point, a visitor may ring the doorbell requesting entry into the front office of our school. Although this may seem a time-consuming process, we appreciate your patience and cooperation as we maintain the security of our building for our staff and students.

If you are coming to school to pick up your child, you do not need to sign in at the kiosk. However, an ID will be required to check a student out of school. A parent note or phone call is required for a change to a student's dismissal procedure.

At the conclusion of a visit to our school, all visitors **MUST** check out by scanning the printed name badge at the kiosk at our main entrance. This procedure allows us to know who is in the school and their location.

Cameras are used to monitor the safety and security of our school at all times. School buses are also equipped with cameras. School buses have 3 cameras to monitor activity/voice inside and outside the bus. A School Resource Officer (SRO) is provided by the Roanoke County Police Department and is assigned to each Roanoke County high school. The SRO at Cave Spring High School serves our school. The Roanoke County Sheriff's Office also provides support to the elementary schools.

Roanoke County Public Schools and Cave Spring Elementary continue to review and improve the safety and security of our students and staff. Together, we are taking every action we can to make sure that Cave Spring Elementary is a safe, inviting place for children to learn and grow!

TEXTBOOKS

A textbook contract is issued at the beginning of each school year. Your child is asked to assume responsibility for the care of his/her textbooks. Parents are responsible for the cost of replacing lost or damaged textbooks and library books.

VACATION

Valuable learning experiences occur in the classroom each day which cannot be duplicated in work sent home. While we recognize the value of family vacations, we ask that parents schedule vacations at a time when school is not in session. Please inform the classroom teacher and the principal in advance if your child will miss school for an extended time. Make-up work will be given immediately upon his/her return. It is your child's responsibility to complete this work and return it to his/her teacher in a timely manner. Please avoid scheduling trips over long weekends or holidays that are part of RCPS inclement weather make-up schedule.
