Our encore class time is 12:35-1:20

Snack time is 1:20-1:30. Please send a healthy snack each day with your child (Please do not pack snack in lunchbox)

Breakfast

Students should arrive to school by 7:40 if they are eating breakfast. Students are expected to go from the car/bus to the cafeteria by themselves starting the first day.

Daily Communication

We will be providing a communication folder for each student. This folder needs to come to school each day. Student work will be sent home in this folder along with papers that need to be read and or filled out. Anything you need for me to see should be placed in this folder. If it is money for lunch, fieldtrips, or ice cream please place it in a labeled envelope or zip lock bag.

Behavior System

We have a school wide behavior system called PAWS (Personal Best, Act Responsibly, Work and Play Safely, and Show Respect). This program focuses on positive school behaviors. In support of this program we have a color system in our classrooms. Every student begins the day on green. Throughout the day as they exhibit positive work and social behaviors they have opportunities to clip to another color. The color system starts on green then moves to blue, purple, and pink being the highest. They are earning points with each clip up. We are sending a calendar home in each student's green folder that will be marked daily with their color of the day. Please make sure that you check it each night and keep in their folder.

Please see the bus route sheet and write your child's morning and afternoon transportation information on the sheet provided. Bus tags need to be completed and worn the first week of school. Please make sure to send a note or call the school if there is a change in transportation.
