We need your support!

Since 1991, the Roanoke County Public Schools Education Foundation has provided **vital support for students and teachers** in Roanoke County Public Schools through scholarships and grants and by providing recognition for outstanding instruction.

Thanks to donations from our community and sponsorships from businesses, the Foundation helps to provide engaging and purposeful instructional opportunities for students and scholarships for graduates.

Each year, the Foundation also recognizes the top teachers in Roanoke County through the Golden Apple Teacher of the Year Award program.

We hold several annual fundraising events including our annual golf tournament and the Backpack Run. For more details on these events and how to participate or become a sponsor, please see our website at **supportroanokecountyed.org.**

All funds donated to the Education Foundation go to provide financial support for teachers, students and educational programs.
