

Middle School Sample Schedule

Time	Activity	Notes
8:20 – 9:40	Block 1A Independent Learning and regularly scheduled synchronous (real-time) opportunities.	Each course has the day’s information and lesson available in Blackboard. These lessons may include a video, related support materials, or a teacher led activity received in real-time.
9:45 – 11:05	Block 2A Independent Learning and regularly scheduled synchronous (real-time) opportunities.	
11:10 – 1:00	Block 3A (includes lunch) Independent Learning and regularly scheduled synchronous (real-time) opportunities.	
1:05 – 2:25	Block 4A Independent Learning and regularly scheduled synchronous (real-time) opportunities.	
2:25 – 3:25	Independent Learning – this may include teacher office hours or other support.	

Some students may spend additional time working independently on at-home, independent learning activities. This will vary depending by grade level as well as individual student abilities and learning preferences.

This is a sample schedule and may vary by course and teacher.
