

Cave Spring Middle School eNews

Upcoming Events:

Monday, August 30th:

Volleyball vs. Ben Franklin Middle School – Home - 5:00 PM

Thursday, September 2nd:

Football @ Hidden Valley Middle School - 5:00 PM

School News:

SCHOOL HOURS:

8:20 AM to 3:25 PM

Car riders may be dropped off at 7:45 AM, at the cafeteria entrance.

WATER BOTTLES:

Students are encouraged to bring a refillable water bottle to school each day. Water bottle fillers are located on each grade-level hallway and at the entrance to the cafeteria.

PICTURE DAY:

Our Picture Day on Thursday, August 26th was very successful; however, if your child was absent on Thursday, Picture Retake Day is scheduled to take place on September 29, 2021.

If you would like to order pictures, please go to www.mylifetouch.com and enter code EVT6TMHPR. You will need your child's Student ID number. The student ID number is the same as your child's lunch number.

YEARBOOKS:

CSMS Yearbooks are officially on sale for only \$30.00! Reserve your copy today by placing your order online at www.yearbookforever.com If you order now, you will receive FREE personalization; your child's name will be printed on the cover of their yearbook.

Don't delay... place your order today!

Thank you!

COVID-19 SCREENING QUESTIONS

Parents should assess each child for symptoms of COVID-19 **every day** before arrival to school.

YES or NO: since the last day in the building, has my child had any of the following:

- A new fever (100.4F or higher) or a sense of having a fever since you were last in school?
- A new cough or breathing difficulty that cannot be attributed to another health condition?
- Chills that cannot be attributed to another health condition?
- A new sore throat that cannot be attributed to another health condition?
- A new congestion or runny nose?
- New muscle aches (myalgia) that cannot be attributed to another health condition or specific activity (such as physical exercise)?
- New cold or allergy symptoms not attributed to another health condition?
- Has the child been exposed to anyone who tested positive or suspicious positive for Coronavirus (COVID-19) in the past 14 days? An exposure is defined as physical contacts within six feet for at least 15 minutes.

If an individual answers YES to any of the screening questions, he or she should stay home and not report to school. The child's parent/guardian should call the school nurse who will walk the parent through an additional assessment and will provide guidance based on VDH recommendations.

If an individual reports COVID-19 symptoms upon arrival to school, the school will activate the emergency protocol for COVID-19. Parents must promptly pick their child up or arrange for pick-up, if signs or symptoms of illness are present. If a student becomes symptomatic at school, they will be moved to an isolation space until they are picked up from school. Students that become symptomatic at school will not be able to ride the bus home. Parents are asked to contact the school when your child will not be attending school. Our school nurse, Tracy Delaney, is the contact person for all COVID-19 questions regarding a sick child or family member. (562-3900 Ext. 30039)
