RCPS COVID-19 INFORMATION PAGE:

<https://www.rcps.us/site/Default.aspx?PageID=4642>

COVID-19 SCREENING QUESTIONS:

Parents should assess each child for symptoms of COVID-19 **every day** before arrival to school.

YES or NO: since the last day in the building, has my child had any of the following:

- A new fever (100.4F or higher) or a sense of having a fever since you were last in school?
- A new cough or breathing difficulty that cannot be attributed to another health condition?
- Chills that cannot be attributed to another health condition?
- A new sore throat that cannot be attributed to another health condition?
- A new congestion or runny nose?
- New muscle aches (myalgia) that cannot be attributed to another health condition or specific activity (such as physical exercise)?
- New cold or allergy symptoms not attributed to another health condition?
- Has the child been exposed to anyone who tested positive or suspicious positive for Coronavirus (COVID-19) in the past 14 days? An exposure is defined as physical contacts within six feet for at least 15 minutes.

If an individual answers YES to any of the screening questions, he or she should stay home and not report to school. The child's parent/guardian should call the school nurse who will walk the parent through an additional assessment and will provide guidance based on VDH recommendations.

If an individual reports COVID-19 symptoms upon arrival to school, the school will activate the emergency protocol for COVID-19. Parents must promptly pick their child up or arrange for pick-up, if signs or symptoms of illness are present. If a student becomes symptomatic at school, they will be moved to an isolation space until they are picked up from school. Students that become symptomatic at school will not be able to ride the bus home. Parents are asked to contact the school when your child will not be attending school. The school nurse is the contact person for all COVID-19 questions regarding a sick child or family member. (562-3900 Ext. 30039)

PTA NEWS:

Volunteers Needed

Seventh Grade Hearing and Vision Screenings will be held at CSMS on September 17th from 8:30 AM to 11:30 AM.

Please contact Shelley Clemons @ Shelley.clemons@yahoo.com if you are available to assist with this event.

Thank you!
