

Penn Forest Elementary PTA

The last few years have been weird to say the least. We are incredibly excited to start the 2022-2023 school year and have already been working hard to make this year exceptional for all of our students. In order to do this we need your help!! It is no longer possible for us to continue holding events with only a few volunteers. So, we have put together committees for every PTA sponsored event and hope to have lots and lots of people willing to help. Each event will have different needs, and the Committee Chair person will reach out with information. Please check any/all events that you would be interested in helping
