

# SUMMER CAMP!

2  
0  
2  
3

Hosted by the Burton Center for Arts and Technology (BCAT)  
1760 Boulevard, Salem, VA 24153

## For rising 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> graders!

Camps run 9:00a.m to 12:00p.m.

### Burton Center for Arts and Technology Campus

The fee for each camp is \$125. Cash, check, or online payments accepted!

Each camp must have at least 6 students to run and each camp is limited to 20 students. Students will be accepted on a first-come, first-served basis. Transportation and food are not provided.

#### VEX Robotics

June 5-9

Mechatronics Program

Instructor: Shawn Burns

Students will work with VEX robots to learn about design, building, programming, and competing in this hands-on camp. Teams of two students will learn how to program robots for autonomous movement and then practice their learning in a variety of activities during the week.

MASS  
COMMUNICATION

#### Video Production

May 30-June 2

Center for Mass Communication

Instructor: Eric Salo

Campers will learn the basics of video and multimedia production. They will produce a brief video about themselves, and a short film in groups. Campers will learn how use HD camera gear and edit projects on iMac computers. The camp will also be assisted by senior students in the Mass Communications program.

#### Woodworking Basics

May 30-June 2

Building Trades Program

Instructor: Keith Robinson

Learn to work safely using small woodworking tools to build real bird houses, bird feeders, and scale race cars. Items built during camp will be taken home at the end of the camp week. Join Mr. Robinson for a load of fun!

#### Crime Scene Investigation

June 12-15

Criminal Justice Program

Instructor: Jason Walls

Participants will learn the basics of crime scene investigation through a variety of hands-on activities and classroom discussion. At the conclusion of the week, participants will complete a mock crime scene investigation.

Burton Center for Arts & Technology  
1760 Boulevard
